

For our planet  
For our environment  
For our children

# What do you need to do?

## *Plan A – Recycling Basic \$99 per month*

Process and sort your recycling into different types, bag them and put bags into recycling bin

*Rough guide on what to do:*

### **Glass**

- Remove any plastic or metal caps, remove any labels if possible

### **Cardboard, Paper & Tetra Pak**

- Remove any plastic wrappings, sticky tapes or staples, then flatten
- Tetra Pak needs to be in a separate bag with any plastic cap removed

### **Metal**

- Remove any paper or plastic labels if possible

### **Plastic**

- Type 1 and 2 in one bag
- Type 4,5,6,7 in a separate bag
- Sorry we cannot recycle Type 3

*Please make sure everything is clean*

For our environment  
For our children

## What do you need to do?

### *Plan B – Recycling Plus \$149 per month*

No need to process or sort your recycling, just make sure everything is clean

Bag them, put bags into recycling bin

After we collect them, we will do the processing and sorting for you then we send them for recycling.

*Please make sure everything is clean*
